Dear Meredith & Play It Forward

On behalf of our participants at SPARC and their families, we thank you so much for your donation of sports equipment including the golf bags, kickball's & jump ropes for our programs. We strive to provide healthy exercise & sport programs that give our participants the ability to stay fit & active. By saving our expense in replacing this equipment, our funds will be able to be used to support and enhance SPARC's therapeutic recreation programs for children and adults with developmental disabilities.

You play a vital role in our efforts to provide 1,000 Westchester County residents with enjoyable social and leisure activities that improve the quality of their lives. For many children, SPARC offers their first successful recreation experience. Others find meaningful friendships which are continued every week at SPARC programs. Parents are thrilled to see their child's face radiating happiness, anticipation of regular weekly events, inclusion in their local community, as well as much needed respite time for themselves.

Frankly, we could not do what we do without donors such as you. Due to your help, we will continue to positively impact lives and expand our programs to reach more individuals. In-kind donations go a long way in our ability to offer quality staffing and services and enabling scholarships in these difficult economic times. We, and those we serve, are deeply grateful for your support and commitment assisting us to meet our goals.

Yours truly,

Patti Colombo, CTRS  
Program Director

Rose Rothe, CTRS  
Founder / Executive Director

This letter will serve as the record of receipt of your gift.  
Please note that SPARC is a 501(c)3 Corporation registered with the Charitable Bureau of the Office Of NYS Attorney General.
