To the Play It Forward Organization,

On behalf of the school, athletic department, and most especially, the student-athletes, we would like to extend our deepest gratitude to the Play It Forward Organization, for the generous donation of athletic equipment given to St. Raymond High School for Boys. Your donation of lacrosse equipment, baseball equipment, and soccer goals have greatly benefited our athletic program. It has allowed student-athletes, some who do not have the financial resources available to purchase their own equipment, to be able to continue to participate in the sports they love to play and be a part of. Our high school, which in part serves students who come from socio-economically challenged areas of New York City, primarily the Bronx, tries to always give our students the opportunity to be involved in numerous athletic and extracurricular teams and activities. With your generous donation of athletic equipment, many of our student-athletes will be able to have quality equipment without the burden of the expense that comes along with it. We are extremely grateful for your program and what you have done for us, and hope we can continue our relationship in the future.

Sincerely,

Benjamin Aguirre

Athletic Director
