To Lets play it forward organization

First and foremost everyone here at Parkchester Little League ballplayers, parents, coach and volunteers would like to ***thank you very much for your generosity of donations of baseball equipment.*** that has brought many smiles to the ball players and parents in our league and because of your generous donation to date we have been able to supply every participant in our winter training program with baseball bats, pants, jerseys and hats and with the baseballs and catchers equipment coaches have been able to conduct a higher level of training for all of our ball players

This has an enormous impact for our league and community being that the majority of our ball players come from an economically distressed community and might not be able to afford basic equipment. This has a direct impact on their involvement in our community youth baseball program

And it is extremely important that all boys and girls have the same opportunity Regardless of their economic status with having the basic equipment and be able to participate learn train and have fun in play this great game of little league baseball

Let's play it forward organization has made it possible for us to reach further within our community to attract more boys and girls to participate in little league baseball our entire Parkchester family sincerely thank you

***Dean Ricks
